Week Two
Find Family

Why?

We need a family to love and support us.

Psalms 68:5-6

Ice Breaker

What was your most awkward first date?

Sometimes coming to a small group for the first time can feel like a first date. What are some ways we as a church can help people feel at home and not so out of place or awkward?

The church is a place where you are loved, seen and heard, but the word ‘fellowship’ in scripture also implies sharing, commitment and participation. The believer accepts the high calling to care for and love his brothers and sisters in Christ and enjoys the benefits and care of belonging to a church family. Church is a unified body with Jesus leading us with a clear purpose to love others. They will know we are Christians by our love.

What fellowship do you experience on a weekly basis?

Have you experienced a feeling of community and family while attending church?

Read Ephesians 4:1-6 together

What does bearing with one another mean to you?

Share some examples of when you saw verse 2-3 lived out. A time you witnessed another believer respond gently, patiently, bearing with one another, or making an effort to live in unity together.

Have you experienced loneliness during the past year?

What are you seeking from a church?

How do you pray for others at your church?

Why do we go to church? Church is where we find family.
